

DEAR PUBLISHERS

COPYRIGHTS – PROPOSAL OF SALE FOR WESTERN PUBLISHERS

The ASTRUM Publishing House would like to invite western publishers, copyrights agents, copyright companies and other western establishments, having similar work profile, consistent with our goals to cooperate on terms described below.

The ASTRUM Publishing House with residence Wrocław (Poland) has already published over 800 titles. We own full copyrights to many of those titles and we would like to offer them to you. Most of them are in form of ready to publish scripts with illustrations.

Titles that we would like to offer are of commercial, educational and business character.

Here are the chosen subjects that we especially recommend:

- cookbooks (food of the nations: Chinese, Japan, Italian etc.; regional food: Silesian, Highlander, Great Poland's),
- dietetic books (functional eating, healing with herbs and seasonings (antirheumatic diet, allergic diet, diabetic diet, diet for people with diseases of matches of cruising),
- esoteric books (magic of stones, aromatherapy, diet for each sign of Zodiac and others),
- educational, academic, science books, written by scientist and teachers, considering communication,
- books about marketing and management,
- books about advertising, especially about the language of commercial, success in advertising in crisis situations,
- books about information technology, especially about Public Relations in the Internet in crisis situations,
- books about politics and society, negotiations, manipulations in business and politics,
- health guides, reference books,
- children comics, kids and teenager books, science-fiction,
- fairy tales, line written, with illustrations.

MULTIMEDIA:

- audio books – conversation guide – English language and so on... studies, education, lessons,
- radio – play for children – fairy story – poems.

We have on our disposal many **pictures** to all of those books, especially cooking and esoteric books and children books.

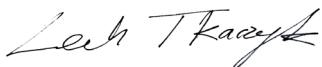

We also have **illustrations** to our fairy tales. We are ready to render them by selling copyrights.

We also have a rich and professionally extended **Computer Graphic Section**. We are able (with really low prices) to do every job: book covers, posters, catalogs and other graphic and plastic work.

If you're interested, we are ready to send detailed list of currently available titles.

We should also mention that we are capable of preparing any kind of book you would like. We can do it fast and with competitive prices.

President

Lech Tkaczyk
